HOSTED BY

Meg Lowman, California Academy of Sciences
Heather Tallis, The Nature Conservancy
Rita Mehta, University of California, Santa Cruz

Please join us for a day-long summit on the topic of women in science. Graduate students and postdoctoral researchers are encouraged to attend. The format will include morning keynotes and presentations, afternoon break-out mentoring sessions and a reception. All attendees are invited to attend the Academy's NightLife programming, following the summit.

Please RSVP to www.calacademy.org/women-in-science-summit

Tickets will be available starting November 30, 2015
55 Music Concourse Drive | San Francisco, CA 94118
